Easter Raffle
The Easter Raffle raised $1500 for new reading materials. Thank you for your support.

We have one uncollected Easter raffle prize. The winner is Neil Rawlinson. The phone number on the ticket is incomplete. If you sold the ticket to Neil, could you please contact the Office so that we can give Neil his prize.

 Stranger Danger
You may have seen the reports in the media about a recent incident in Centennial Park where a child was approached by a stranger. At school, as part of the Health Personal Development and Physical Education curriculum, lessons are conducted on safety and child protection. It is vital that parents also regularly talk with their children about staying safe.

There is a good article on the Kidslife website that provides tips and hints for parents in regards to ‘stranger danger’.  

Reminder - Supervision is available at school from 8.30am. If you are unable to drop your child at school after 8.30am and/or collect them at 3pm, TRAC is available to look after your child. Please do not ask children to wait in Paine Reserve.

Parking
Please be considerate of our neighbours and avoid parking over driveways either on Rainbow Street or Young Street.

Rule Focus
Each week we have a school value linked to a rule that we focus on. In Week 11 our emphasis is on “I take care of my own property and other people’s things when I find them”.

There are a large number of jumpers in the Lost Property box. Please check the box before the end of term.

Inglis Development
A copy of the exhibition material for the Inglis Newmarket planning proposal is available at school for viewing. The material is on the back table in the Gallery of Learning.

Gardens Working Bee
The Garden Club will be having a working bee this Saturday, 6 April, from 1pm-4pm. Come along and help out with planting, weeding, mulching. No expert skills needed! The old saying ‘many hands makes light work’ definitely is true on working bee day! Hope to see you there.

Sport News
Our Cross Country Carnival for students who are 8 (or turning 8 this year) or older will be held on Thursday 11 April from 9.15am in Paine Reserve. Please join us if you can.

Parent-Teacher Interviews
Have you got a parent teacher interview coming up? Here are some tips for getting the most out of these important meetings. Prepare a few questions to ask, and walk away with a plan.

From the Library
Book Club
Book Club orders have arrived this week. Some students will have received their books already. We are waiting on one more box to arrive. If your child has not received their books by Wednesday of next week please let me know. We ordered over $2000 worth of books! This means that we can order a significant number of new titles for the library. Thanks for supporting our school.

National Simultaneous Storytime
Next term we will be recognising this fabulous book in the library. All K-2 classes will read the book during Week 4. Find out more about this special book here

Borrowing Over The Holidays
Students in Years 5 and 6 will be allowed to borrow books over the holidays. K-4 students are asked to return all library books in Week 11. They will be able to borrow again from the first week back at school next term. Why not check out your local library in the holidays for some new books? You may also like to visit the State Library of NSW for the following activities:
- Digital Stories
- Picture yourself at the Goldfields
- Story time at the Library

Mr Lawrence
A huge thank you to Mr Lawrence who has been teaching in the library over the past few weeks while I have been working with Year 3. He has done a wonderful job keeping the teaching programs going as well as student borrowing. Thank you!
Nicole Mayhew
Teacher Librarian

Create East
Best wishes to Sophie H, Sofia and Henry who will be participating in the three day workshop and performance next week. We hope that you have a great time and enjoy meeting and learning with students from all over Sydney Region. A number of RSPS teachers will be attending the performance to see you in action.

Website Of The Week
This week’s website of the week comes to you from Getting Smart. Download some of the best educational iPad games for kids that will help them build up their brilliant brains at:

This week’s Parents’/Carers’ Website of the Week comes yet again from Priscilla (Frankie 2C, and, Ruby 5/6D) who is kindly contributing for a third time this
term. Her recommendation this time around is from the Sydney Opera House. Kids at the House is a program of the best performances and events for kids, all year round and you can find them at: http://www.sydneyoperahouse.com/about/program_kids_at_the_house.aspx

Thanks Priscilla for jumping on board this idea of Parents’/Carers’ Website of the Week. Next term I’ll be asking students what some of their favourite websites are and sharing them on here so watch this space for more new sites to see.
